PLEASE READ THE FOLLOWING INFORMATION:

To make your visit more beneficial to you, we have included office paper work for you to complete. Please complete the paper work and bring it with you to your appointment.

We will also need the following information:

1. Medical Records: Office notes, Operative reports and if you have had a previous implant surgery, we will also need a copy of the Operative “sticky” labels.
2. X- rays
3. Insurance Cards
4. Referral: If you have an insurance carrier that requires a referral number, please obtain the referral prior to your appointment on all visits to our office.
(Plain Medicare does not require a referral.)
